

The James Michael Revue

“The Man of Many Faces”

Watch as James Michael brings Broadway characters to life as he applies makeup and costumes. In a matter of moments – right in front of your eyes, not only do the costumes and makeup change, but the sound of his voice also becomes the wide array of characters – from Dr. Jekyll and Mr. Hyde to Tevya and LaMancha’s Don Quixote and others. The show has the fully orchestrated music from Gershwin to Jerry Herman, Weber to Sondheim. You will be amazed at how one man can become so many characters!
