PRESENTS REBECCA BARBER:

*Leah Steppel: A Journey of Faith, Hope, and Survival*

January 27, 2019

3:00 PM

Caught within the ever approaching steel jaws of Nazi exterminators, a nineteen year old German Jewish girl keeps a diary as she and her family desperately flee Europe. Across Europe, they struggled to preserve their lives one hour, one day at a time. Leah's Journey is the true story of Rebecca's Mother. Leah's diary is at times frightening and fraught with danger, yet filled with a trust in the Almighty.
