

Sports Cards & Memorabilia Program

Do you still have your old baseball cards?

Any sports memorabilia, baseballs, jerseys, footballs, hockey sticks, or pucks?

How about any entertainment or historical autographs?

Adam Shapiro, a trusted professional buyer, may be able to turn your old treasures into new money.

He will evaluate your memorabilia and make you a cash offer on the spot with no obligation to sell.

For large collections, he can arrange to come to you.

The Temple will receive a commission over and above what you are paid.

To set up an appointment call the Temple at 561-276-6161 ext 128 and leave a message. Or talk to Mark Breitbart.
